

SOLAR PROJECT HOMEOWNER APPLICATION

Date _____

Name _____ Email _____ Phone _____

Street Address _____ Zip Code _____

Year home was built _____ Date you purchased your home _____

Which direction does each side of your roof face? _____
Please include photos of your roof from all sides.

Year the roof was installed _____. *If your roof is too old for this project you may be able to install a new roof through a Home Repair IDA grant from Proud Ground. Interested? Contact katie@proudground.org*

Please initial each statement to confirm your agreement, which is required to apply for this project:

____ I will continue to pay in full my monthly electric bill, in addition to staying current on all utilities, my mortgage, and my Proud Ground lease/service fee.

____ I will participate in the State of Oregon's Residential Energy Tax Credit (RETC) Pass Through Program connected to this project, and I will sign over the proceeds to Solar for All. I will sign a contract with Solar for All agreeing to sign over the RETC check I will receive a few months after installation is completed, after the state verifies all the required paperwork.

____ I will sign the pre-paid lease contract with SunRun.

____ I will sign all required documents for the State of Oregon, and for my electric utility provider.

____ I will give all related contractors (Imagine Energy) access to my home that is required to complete a solar installation project on schedule.

____ I will not take any actions or conduct any activity that jeopardizes the condition of the solar panels once installed.

____ I hold harmless Proud Ground, Solar for All, SunRun and any related contractors from any issues related to the installation and use of solar panels on my home.

____ I understand that Proud Ground has no responsibility for the care, maintenance, repair, removal, and/or replacement of the solar panels.

____ I understand that roof repair/replacement could be required at some point while solar panels are installed and that the cost of repairs/replacement could be higher as a result of the solar equipment. I understand that I would be responsible for roof repair/replacement costs.

____ I understand that if any party dissolves, goes out of business or otherwise ceases to exist the other parties are not liable for the non-existent party's responsibilities or obligations.

Signature of everyone included on the home mortgage:
